

ABOUT US

Scaffolds of Florida has been serving the Construction Industry in South Florida since 1965, with a full range of scaffolding, shoring, forming and related accessories.

We rent and sale scaffolds, postholes portable toilet, storage containers, roll-off containers, holding tanks and building supplies. Engineering and shoring layouts, erection and dismantling services are also available.

All our scaffolds frames are from 1.69" o.d. tube compatible with all major scaffolding brands. We maintain an inventory of new scaffolds in Miami ready for delivery at the best prices in Florida.

Please contact us for all your future requirements and we will be happy to visit your office or jobsite.
